

Q:

What did one mole say to the other?

A:

We make great chemistry together!

Q:

What did one mole say to the other?

A:

We make great chemistry together!

Q:

What did one mole say to the other?

A:

We make great chemistry together!

Q:

What did Avogadro put in his hot cocoa?

A:

Marsh-**mole**-lows!

Q:

What did Avogadro put in his hot cocoa?

A:

Marsh-**mole**-lows!

Q:

What did Avogadro put in his hot cocoa?

A:

Marsh-**mole**-lows!

Q:

Why couldn't the scientist make more guaca-**mole**-e?

A:

Because he was out of Avogadros!

Q:

Why couldn't the scientist make more guaca-**mole**-e?

A:

Because he was out of Avogadros!

Q:

Why couldn't the scientist make more guaca-**mole**-e?

A:

Because he was out of Avogadros!

Q:

Why did Avogadro invite so many friends to his party?

A:

The **mole** the merrier!

Q:

Why did Avogadro invite so many friends to his party?

A:

The **mole** the merrier!

Q:

Why did Avogadro invite so many friends to his party?

A:

The **mole** the merrier!

Q:

What is a chemistry student's favorite type of quiz?

A:

Moletiple choice

Q:

What is a chemistry student's favorite type of quiz?

A:

Moletiple choice

Q:

What is a chemistry student's favorite type of quiz?

A:

Moletiple choice
