MAKING YOUR CALLING A LITTLE SWEETER

## PRAY

Pray for those you are over. Pray for each one individually. Their needs will come to you in prayer.

## INSPIRE

Only YOU have the inspiration that is needed to fulfill your calling. We must act on all promptings.

## ENGAGE

When others see us on Sunday, at activities, and other places, they get to know and trust us better.

## SERVE

You cannot help but love those you serve. This layer is the sweetest and most rewarding, but takes the most work. Nothing can change lives like the power of service.
